Past Performance Information Retrieval System (PPIRS)

The DLA Automated Best Value System (ABVS)   has been sunset/ retired and now ALL of the Department of Defense uses the Past Performance Information Retrieval System (PPIRS).

PPIRS has two parts PPIRS- RC (Report Card) and PPIRS- SR (Statistical Reporting)

Contractors should register for PPIRS-SR

PPIRS-SR collects quality and delivery performance data from numerous Department of Defense databases, aggregates that data using algorithms, and provides the user with objective Quality and Delivery ratings of a contractor's past performance.

PPIRS – SR

Uses three (3) years of Information (Data)

A weighted delivery score and a color classification for Quality performance are provided for each Federal supply Class (FSC).

Any requests for changes to the data must be made through the PPIRS web site.

To view data and scores/ classifications, register on the web site: https://www.ppirs.gov
